

September 27, 2017

Dear ISSA Colleague,

First, We want to thank you for your visit to our Booth during the last ISSA InterClean North America Show in Las Vegas, NV, USA.

It is with great pleasure to announce that the event brought together more than 250 industry professionals, and over 100 global companies into our booth.

The majority of the visitors were jansan distributors and building service contractors, others were new dispenser vendors & industry colleagues, in recap ISSA/INTERCLEAN North America was the right place to pre-launch the Full Line of [Environmentally Preferable Tissue Paper Products](#), [Restroom Accessories](#) and Alliances Co-Branded by [Paper Shop US Co.](#)

Additionally, over the last few days we have been working on updating our website, please visit : <http://www.papershopus.com> , we added [company information](#) and more product details including full product images, info sliders and videos.

For your information, we are continuously upgrading our website to enhance your experience when visiting us.

We invite you to follow our social channels to stay connected!
